Lab Meeting Schedule 403 Salk Hall

- December 17, 2010**

When: 12pm

Where: 403 Salk Hall

Presenter: Dr. Takehiko Shimizu

Title: Localization of Third Molar Agensis Using Mouse Genetics

Recent Events

A collaborator of Dr. Vieira's has recently been selected as a finalist for a prestigious award. Dr. Gustavo Garlet is a finalist for the Award in Clinical Science offered by the American Academy of Periodontics during the annual meeting in Honolulu, Hawaii, from October 31 to November 2. Information on the paper, co-authored by Dr. Vieira, can be found by following the link below.

“Chronic Gingivitis as the Control Group for Case/Control Studies of Periodontitis Genetics: A Paradigm Change Based in Case/Control Definition Reappraisal and Supported by Classic SNP Analysis.”

Congratulations Dr. Garlet!
