

## GRAD PLUS APPLICATION PROCESS

Graduate and professional degree students may borrow under the Graduate PLUS Loan program up to their school's cost of attendance minus other financial assistance. Graduate PLUS loans are federally guaranteed, credit based loans available to graduate and professional students who are enrolled at least half-time and making satisfactory academic progress.

If you wish to apply for a Federal Direct PLUS loan for the 2018-2019 academic year, you must:

1. Complete all applicable sections on the 2018-19 Grad Plus Application. The information that you supply on this application will be electronically transmitted to the U.S. Department of Education, its servicers and/or agents. By submitting this application to the University of Pittsburgh, the borrower is authorizing a credit check to determine eligibility. This form must be completed for each PLUS loan requested. Borrowers will receive notification from Direct Lending of their approval or denial (due to adverse credit).
2. First time Direct Graduate PLUS borrowers must also complete Direct Loan Entrance Counseling at <https://studentloans.gov>.
3. First time Direct PLUS borrowers must complete a Master Promissory Note (MPN) at <https://studentloans.gov>. You will use your federal FSA identification to sign the MPN electronically.
