Standing With Survivors

Many people have or will experience sexual assault and violence in their lifetime. It's an unfair and brutal action that we are shining a light on. We want to share and spread awareness not only this month, but every month. Join us and your fellow Pitt family in watching these videos, educating yourself, and helping those who may confide in you with their experience.

Lavender Graduation April 16, 2021

Lavender Graduation at the University of Pittsburgh is a cultural event for the University to recognize and acknowledge the achievements and contributions of LGBTQIA+ students of all races and ethnicity. The time-honored tradition is a celebration of the unique journey many LGBTQIA+ face during their time in higher education.
