Overnight—Hotel Le Vallon de Valrugues

Tuesday, May 27th

Avignon and Châteauneuf-du-Pape

Breakfast at the hotel

This morning we discover the complex history of Avignon before heading to the one of the most recognized wine regions in the world, **Châteauneuf-du-Pape**, for a taste of what makes this wine so special.

Lunch at **Château des Fines Rouches**

Châteauneuf-du-Pape tasting

Dinner at leisure

Meals—B, L

Overnight—Hotel Le Vallon de Valrugues

Peter Mayle's classic 1989 travelogue, A Year in Provence, a recommended read, sums up the rustic good life and everything enviable about the French lifestyle that is Provence: fantastic food, hilltop villages, legendary wines, bustling markets and a balmy climate.

Wednesday, May 28th CE Lecture and Transfer to Nice

Breakfast at the hotel followed by a morning

CE Lecture (3 hours)

Lunch at Leisure

Transfer to **Nice**

Dinner in Nice

Meals—B, D

Overnight—Hyatt Regency Palais de la Méditerranée

Thursday, May 29th CE Lecture, Nice and Cannes

Breakfast at the hotel followed by a morning

CE Lecture (3 hours)

Time to explore Nice on your own. Stroll from the hotel to the famous **open-air food and flower market on the Cours Saleya**. Wander through the market and the streets of the old town, a maze of food specialty shops and boutiques, stop to sample local specialties such as chick-pea socca, savoury pissaladière and hearty pan bagnat; be sure to save room for a refreshing gelato at the renowned glacier, Fenocchio. Nice is also home to the **Musée Marc Chagall** and the **Musée Matisse**.

Late afternoon, we transfer to Cannes for a walk along the glamorous La Croisette and an opportunity to see the **Palais des Festivals et des Congrès**, home to the famous Cannes Film Festival.

Dinner at **Le Roof** for stunning views as the sun sets

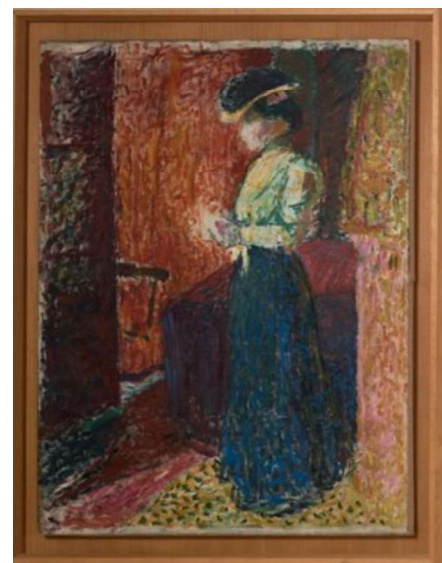

Meals—B, D

Overnight—Hyatt Regency Palais de la Méditerranée

Friday, May 30th Les Trois Corniches

Breakfast at the hotel

Spend the day discovering the quintessential French Riviera, following the famous Trois Corniches coastal road between **Villefranche-sur-Mer** and Monte Carlo. Explore the charming fishing village of Villefranche, with its fishermen's chapel decorated by Jean Cocteau. Step back in time to discover the ancient history of the region at La Turbie, taking in the breathtaking Mediterranean sea views. In the perched artists' village of **Èze**, renowned for its perfume factories and botanical cactus garden, take time for a self-guided stroll, then **relax over lunch at Les Remparts, the sea-facing terrace restaurant in the famous Chèvre d'Or**. After lunch, experience the royal grandeur of Le Rocher, the Rock of **Monaco**, home to the Prince's Palace, Cathedral, and

Friday, May 30th

Les Trois Corniches (cont.)

Oceanographic Museum, then cross the port to taste the glamorous side of the city, famous for its Casino de Monte-Carlo and exclusive designer boutiques.

Evening at Leisure

Meals—B, L

Overnight at Hyatt Regency Nice Palais de la Méditerranée

Saturday, May 31st

Medieval Villages

Breakfast at the hotel

Visit the iconic village **Saint-Paul-de-Vence**; once a stronghold on the French border, Saint-Paul is now known for its art galleries, charming stone buildings, and gastronomic restaurants. In **Tourrettes-sur-Loup**, a centre for the region's violet production, explore narrow streets populated by artisans, craftsmen, and vendors selling local products. Complete your day with a drive through the spectacular Loup Canyon and a visit to **Gourdon**. Perched 760 meters above sea level, this charming village provides a panoramic view across the countryside to the Mediterranean Sea.

Dinner at **La Réserve de Nice**

Meals—B, D

Overnight at Hyatt Regency Nice Palais de la Méditerranée

Sunday, June 1st

Au revoir à la France

Oral Pathology

This three-part presentation will cover some of the more common oral soft tissue and radiographic lesions seen in dental offices. Proper terminology will be reviewed, and differential diagnoses will be discussed. This is intended to be an interactive course involving problem-solving and critical thinking.

Course 1:

Oral Pathology Made Easy! Focus On the Most Common and Classics

1. Learn and review current terminology used in oral pathology.
2. Recognize normal variations from normal and abnormal soft tissue entities commonly found in the oral and maxillofacial region.

Course 2:

Radiographic Pathology: Not Everything Is Black and White, But Some Things Are!

1. Recognize normal variations from normal and abnormal radiographic entities commonly found in the oral and maxillofacial region.

Course 3:

Oral Pathology Potpourri, What You Could See and Smell

1. Discuss different treatment cases and their outcomes.
2. Learn biopsy principles to obtain the best possible outcomes for you and your patients.
3. Discuss various biopsy techniques to obtain optimal diagnostic samples.

Speaker Bio:

Dr. Bryan Trump is a Board Certified Oral & Maxillofacial Pathologist and full-time Associate Professor at The University of Utah School of Dentistry. Bryan grew up in a suburb of Salt Lake City, Utah. He attended Weber State University, where he earned a Bachelor of Science in Microbiology. His DDS is from Virginia Commonwealth University School of Dentistry, and he completed his Oral & Maxillofacial Pathology Residency as well as a Master's in Biomedical Sciences at Texas A&M University Baylor College of Dentistry. He has established a clinical referral center focused on oral medicine at the dental school and directs Utah's first and only oral pathology biopsy service. His laboratory serves dentists throughout the Intermountain West.
