CENTER FOR CONTINUING DENTAL EDUCATION

# OFF-CAMPUS COURSES 2023

Altoona Bradford Erie Greensburg Harmarville Johnstown Reading Scranton Steubenville Williamsport

University of  
**Pittsburgh**

School of  
Dental Medicine

The University of Pittsburgh School of Dental Medicine Continuing Dental Education Center provides the tri-state area's dental community with quality, timely and innovative continuing dental education programs.

The University of Pittsburgh is an American Dental Association Continuing Education Recognition Program (ADA CERP) recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

*"As professionals, we are obligated to practice the concept of lifelong learning – The society we serve demands nothing less of us."*

# GENERAL INFORMATION

## Registration

All applications are processed in the order in which they are received. Limited participation courses may require earlier registration. A confirmation of your registration will be sent to you.

## School Policy

We reserve the right to change the location, time, course content, or teaching faculty of any course as may be necessary or advisable. Any course without sufficient enrollment is subject to cancellation. Registrants will be notified of any course cancelled at least two weeks prior to the course date.

## COVID Protocol

All in-person courses are subject to the precautionary mitigation measures established by the University. These guidelines are to be adhered to without exception by all participants. The protocols may evolve as warranted and can be accessed for the most current update via the following link: [www.coronavirus.pitt.edu](http://www.coronavirus.pitt.edu).

## Disclaimer

In the interest of academic freedom, the University of Pittsburgh School of Dental Medicine has an obligation to present new information in the field of dentistry. Some of this knowledge may be controversial. Sponsorship of such a continuing education course by the University of Pittsburgh School of Dental Medicine does not imply endorsement of a product or technique.

Please be advised that there are potential risks of using limited knowledge when incorporating new techniques and procedures into the practice of dentistry without supervised clinical experience or demonstrated competency in the techniques or procedures being taught.

## Refund Policy

Series of Four-No refunds will be issued for "no shows" or cancellation by registrant. If a registrant notifies the Center for Continuing Education prior to course date, he/she may transfer to an available course within the off-campus lecture series within the same year.

Single Course-Tuition refunds will be assessed a \$35 administrative fee. No refund will be issued for "no shows".

Refunds will be issued in full if it is necessary for the University of Pittsburgh School of Dental Medicine to cancel the course.

## Ways To Register

Online at [www.dental.pitt.edu/ce](http://www.dental.pitt.edu/ce)

Register online for a series of four courses and receive a 25% discount.

Please note-Discount will only apply if all four course registrations are completed during the same session, prior to payment. Discount will not show until the 4th course registration is complete.

**By Phone**-Register today by calling 412.648.8370

## Course Credit

Courses presented at the School of Dental Medicine qualify for continuing education credit applicable toward Academy of General Dentistry maintenance, fellowship, or mastership requirements on an hour-for-hour basis. All courses meet the criteria for Continuing Education Units (CEU). Continuing Education credits awarded for participation in the CE activity may not apply toward license renewal in all states. It is the responsibility of each participant to verify the requirement of his/her state licensing board.

The University of Pittsburgh designates this activity for the number of continuing education credits listed with each course summary.

Verification of attendance will be available at the conclusion of the program to participants who sign in and attend the entire program.

No partial credit will be granted.

*Please note: The University of Pittsburgh, School of Dental Medicine, Center for Continuing Education will not jeopardize its CERP Accreditation or its relationship with the State Board of Dentistry by not adhering to attendance requirements.*
