

PERSONAL STATEMENT

To: Graduate Programs Administrator
2021 Salk Hall
University of Pittsburgh
Pittsburgh, PA 15261

This statement should appropriately address the following (no more than 2 pages in length):

- The applicant's primary interests within the chosen field of study (i.e. Craniofacial Genetics or Tissue Regeneration) and list any relevant background experience that might make the applicant a good graduate candidate in these areas.*
- Name(s) of potential faculty mentor(s), with whom the applicant would like to work.*
- Applicant's motivation to obtain a graduate degree.*
- Type of career the applicant is training for (professional goals).*
- What are the applicant's expectations from a graduate program?*
